

Adding New modal to the existing list:

Added Mercury 1 to the Modal list:

updated code in popup.js:

```
inceptionlabs: [  
  { value: 'mercury-2.5', label: 'Mercury 2.5' },  
  { value: 'mercury-2', label: 'Mercury 2' },  
  { value: 'mercury-edit', label: 'Mercury Edit' },  
  { value: 'mercury-1', label: 'Mercury 1' },  
]
```

Add Radio Buttons Selenium and Playwright:

updated code in panel.html and respective changes in Chat.js

<!-- Browser Engine -->

```
<div class="model-container">
```

```
<span class="settings-label">Browser Engine</span>
```

```
<label>
```

```
<input type="radio" name="browserEngine" value="1" checked>
```

Selenium

</label>

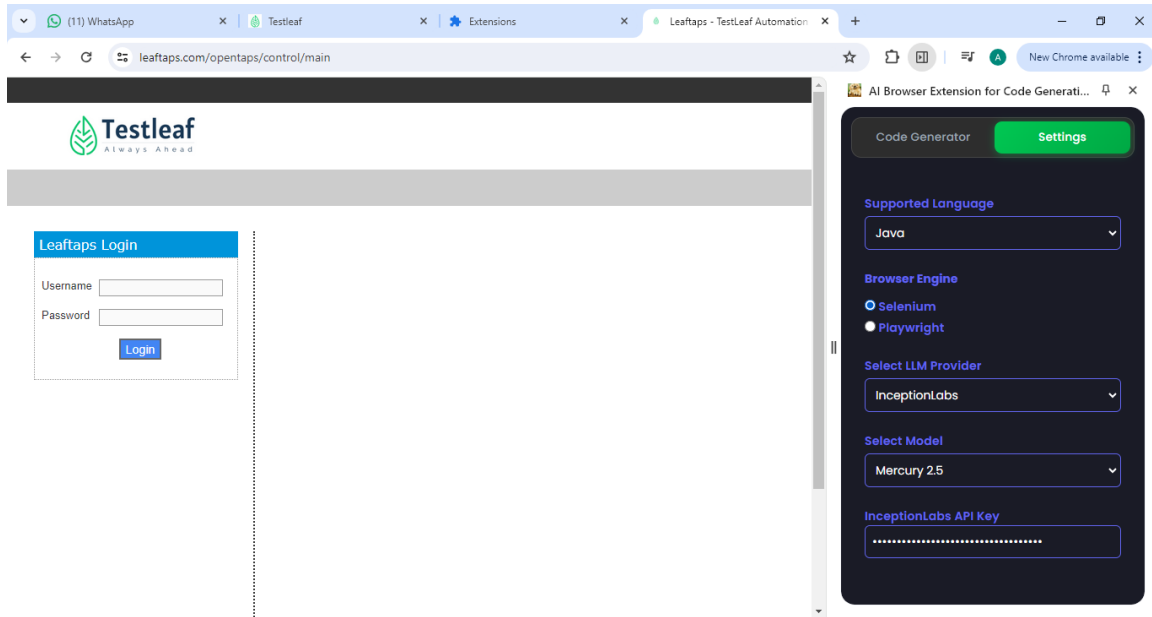

<label>

<input type="radio" name="browserEngine" value="2">

Playwright

</label>

</div>

Enable Playwright Option and Make it Working scenario for code generator
